OUR UNIQUE LIFESTYLE

Reflecting the vitality of our local community, we've undergone renovations to give our residence a truly contemporary aesthetic. A monochromatic colour palette, modern finishes and bold design choices make our home feel bright, trendy and fresh, without sacrifice of warmth or personality. Featuring a bistro stocked with beverages and snacks, lush patios and terraces with city views, a hair salon, art studio and large library, you may question the need to ever leave the residence to find what you're looking for!

One of the most appreciated aspects of life at Chartwell New Edinburgh Square is our one- and two-bedroom suites, which are some of the largest in the Ottawa area. Ideal for independent and active individuals, all feature full kitchens with modern touches and are perfect for preparing meals or having friends over. Considering their size, you'll be struck by what great value our retirement community offers!
