

# ON-SITE PHYSICIAN SERVICES, VIRTUALLY.

If you're in need of a primary care physician appointment and you can't access one, we can help. Virtual physician visits, now available at **Chartwell**, give you quick access to a licensed doctor from the safety of your suite. The service is available to all Chartwell residents, even if you have your own family physician. Doctors work directly with your care team.

## BENEFITS OF VIRTUAL PHYSICIAN VISITS

See a doctor for:

- minor ailments
- mental health care
- lab requisitions
- prescription renewals
- specialist referrals

Book an appointment in advance or access the virtual walk-in 24/7

Protected personal health information

Convenient and safe

Prescriptions sent directly to pharmacy
